As You BEGIN YOUR LIFE TOGETHER

How precious... the days
when two hearts are first knowing
The warmth and contentment
that marriage can bring.
How precious... the seasons
when closeness is growing,
And two people find
they can share everything.
How precious... the years
when two lives are fulfilling
The bright hopes and plans
that they've always dreamed of.
How precious... each moment
when two hearts are willing
To give themselves freely
and fully to love.

Wishing you
many precious moments
to share,
and a life
filled with dreams
to come true.

CONGRATULATIONS
Betty & Chris!

*With our love,

Wonderful life together!!

MARRIAGE IS A PROMISE

A marriage is a promise
that two hearts gladly make.
A promise to be tender,
to help, to give and take.
A marriage is a promise
to be kind and understanding,
To be thoughtful and considerate,
fair and understanding.
A marriage is a promise
to share one life together ...
A love-filled promise meant to be
kept lovingly forever.

— J. L. GARDNER

May the promise
that you make today
bring happiness to you.

And may your love keep growing
every day
your whole life through.

WITH BEST WISHES

I'll be thinking of you both
which I could be there.
