The below roster, of the 1960's and 1970's Alpine High School students, teachers, administrators and board members, who are believed to have passed, is offered as a memorial to their lives. Students that we may have known only in Central School and Centennial School are also included.

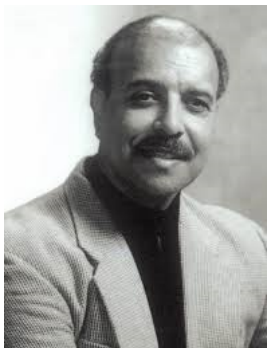

Mary Bell Lockhart has maintained a list of '60's & 70's students and is credited with providing many names of those who have passed. Ray Hendryx is another person that has contributed to this roster by providing a number of obituaries. Brother Mike has scoured the Sul Ross/Avalanche archives to come up with some obituaries as well. Thanks to everyone that have been able to contribute.

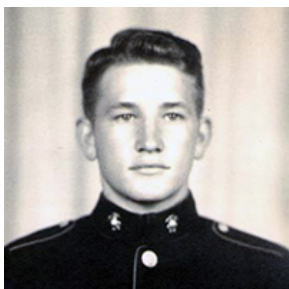

Facebook Memorial Albums have been created within the *Alpine High School Grads 60's & 70's* Facebook Site - <https://www.facebook.com/groups/135398729855507/photos/> (Created by Jan Hungate) The site contains Alpine High School Yearbook Albums, with student picture pages, for years 1962 thru 1965. These yearbook pages can be used as a memorial to those that have passed, by adding comments, obituary information, etc. It is hoped that additional yearbook pages will be added to the Albums section, by those possessing any of the 1960's and 1970's yearbooks.

Also, anyone having an obituary or additional information/corrections/suggestions, please add comments to this document or send information to [ronhunter850@yahoo.com](mailto:ronhunter850@yahoo.com) or mail data to Ron Hunter, JUSTMAGTHAI, R3386, APO, AP 96546, for inclusion into the A.H.S. Memorial.

The table has been modified to remove duplicate entries. The original table was initially used as a notes table, in order to update the AHS Yearbook Memorial album (still available if anyone needs it for sorting purposes).

The enemy sent a wave of attackers onto Young's platoon and Young moved from man to man to provide encouragement and direct fire. He received orders to withdraw from the area and remained behind to provide covering fire for his platoon's retreat. Young noticed that one group of soldiers was unable to retreat and began moving toward them through enemy fire. He received a critical head injury on his way to the men, but Young continued on to assist their withdrawal. As the group fought its way back, Young was wounded in the arm and leg by enemy fire. Knowing that stopping for medical assistance would slow the withdrawal and endanger his men, Young refused any aid. He ordered his men to continue their retreat, but remained behind to provide covering fire, sacrificing himself to protect the men from the advancing enemy force. Rex is buried Sunset Memorial Cemetery in Odessa, Texas and his name appears on the Vietnam War Memorial, Panel 47W, Line 024. <a href="http://www.virtualwall.org/dy/YoungMR02a.htm">http://www.virtualwall.org/dy/YoungMR02a.htm</a> Also of interest,, Rex's paternal cousin, <u>WO1 Stephen Andrew Young</u>, also born in Alpine, was shot down in Vietnam while piloting a "Loach" helicopter, on 9 August 1969, one year after Rex's death (see an entry for Steve Young). <p>YOUNG, STEPHEN ANDREW</p>  	<p>13 Apr 1948 – 09 Aug 1969</p>		<p>SR '66 - Stephen A. Young was born on 13 April 1948, in Alpine, Texas, to Lt. Col. and Mrs. Virgil Young of Las Cruces N.M.. Colonel Virgil Young was reared in Alpine and attended Sul Ross. Stephen died on 09 August 1969, three months into his Vietnam tour, while serving as a Warrant Officer, flying an OH-6A helicopter, with the Army's "A" Troop, 1ST Squadron, 9TH Cavalry, 1st Cavalry Division. Three men from "A" Troop, 1/9th Cavalry, were conducting a recon mission in the area between Nui Ba Den Mountain and the Cambodian border. As they approached the border at a point about 18 kilometers northwest of Tonle Cham Airfield when their helicopter, OH-6A tail number 67-16269, received heavy fire, began to burn, and crashed, killing all three crewmembers. According to comments recorded in the Vietnam Helicopter Pilots' Association database, there was a 48-hour dispute over access to the wreckage, with both the NVA/VC and US forces attempting to gain control of the area. One comment states the US Air Force lost an F-4 during the fight, but there's no record of an F-4 loss in South Vietnam between 09 and 14 August 1969.</p>
